CITRUS fabric sofa, characterized by its minimalist style, enhances the elegance and sophistication of any setting while promoting a sleek, modern look that seamlessly fits into modern commercial interiors. Its soft cushions and ergonomic design create a cozy and inviting atmosphere, making it easy for both guests and employees to relax and feel at ease.

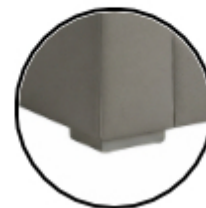

CRAFTSMANSHIP

The creation of a sofa is a refined process that demands advanced and specialized techniques, exceptional craftsmanship, meticulous attention to detail, and a commitment to lasting durability.

HIGH DENSITY FOAM

The product provides excellent durability and support, preventing sagging and maintaining its shape, leading to a longer lifespan and a stable, comfortable seating experience.

ALUMINUM BASE

Crafted from high-quality aluminum with a mirror-like electroplated finish. It boasts excellent strength, wear resistance, and protection against rust and corrosion, making it ideal for long-term fixed furniture use.
